23 Shopping Days Left Until Christmas!

With Thanksgiving behind us, we're ready to swing into full speed on our Christmas activities. Upcoming programs and events are:

Dec. 4th – **Karen Berry** and the Arovista Honor Chorus (70 kids) This is going to be a really big shew!

Dec. 8th – Salvation Army Bell Ringing

Dec. 13th – Kiwanis Holiday Party

Dec. 18th – **Santa** Mooches a free breakfast, bring your family

Dec. 20th – Toys For Tots

Dec. 25th - Dark, round table at Millie's @ 7:15 a.m.

Dec. 31st – New Years Eve party at Susie's house (just kidding ☺)

RED CARPET EVENTS

On Nov. 20th, there were a couple of red carpet events.

First up was **Ben's** apron, and it was a \$2.00 week. This Thursday, the 4th, is the \$5.00 week so you have two days left to visit Ben and sign it or pay **BIG\$\$\$\$**

Next up was **John** presenting **Wayne** with his permanent member badge...Wayne completed all of his tasks: attended a DCM, a board meeting, an interclub, a Key club meeting and 4 weeks of perfect attendance. Hey Wayne, if you have 48 more weeks of perfect attendance, you can get a really cool tag to hang on your K pin. However, you have to wear your

K pin to use it...unlike this day. (**Susie** ratted you out)

RECENT PROGRAMS

We had terrific programs on the 13th & 20th. On the 13th, **Carolina Cardoza** spoke to us about an organization called "FACES", which stands for Family Assessment Counseling and Educational Services. This is a non-profit organization that offers affordable counseling, assessment and educational services on a sliding scale for children and families in Orange County who are in the crossfire of divorce. Their offices are in Fullerton, Santa Ana, Laguna Niguel and Newport Beach.

On the 20th, **Chris Pflanzner** spoke to us about "Computer2schools.org", which he founded and it is also a non-profit organization. They collect and repair computers for distribution in local schools. His primary reason for speaking to use was to make contacts with corporations who may have computers to donate. To contact him, call 714-521-5111 and you can learn more @ www.computers2schools.org.

TURTLE PILLOWS - We also had a visit from two of our Key Clubbers, to show us the results of the turtle pillow stuffing event. Here **Ben** shows us the end result. Ssssoooooo cute!

HAPPY/SAD DOLLARS

Here's just a few from the two weeks worth of meetings:

Cynthia was sad because she & her daughter had been in a bad car accident and her daughters face was burned by the air bag. But the next week she had a happy dollar because she said her daughter healed up very well and looks fine.

Ben R. had a happy \$5 because he is going to see Simon & Garfunkle in box seats.

So **Susie** threw in some happy money because she's going to see Tony Bennett.

Not to be out done, **Danny** announced he had tickets to see The Righteous Brothers and then he's going to Vegas to see Siegfried & Roy. **Jim V.** asked if he was flying there on the Concord.

Joseph seemed very sad because he turned 40 and he's starting to have some aches & pains. Just wait until you hit 50 Joseph!!!! He also was sad because someone hit his car at his open house.

SIMON EVENING OF GIVING!!!

Thanks to all of you who sold or bought tickets to the event...we sold 40 tickets so our club raised \$80 for the Simon Youth Foundation and \$320 for our own club. I don't think any of our group won any of the

door prizes though. I don't know who all went, but I know for sure that Lynda & Wolf and their kids, Cheryl & Charlie, John & Fran and Buzz & I were there.

ENTERTAINMENT BOOKS FUND RAISER

We are winding down our sales campaign. Please bring all money or books that are left to tomorrow's meeting. I know you'll all be glad to see my baseball diamond only one more time...I'll let you know if we've hit it out of the park.!

HATS OFF TO ANNETTA & JOSEPH!!!

Together they pulled off a very successful Thanksgiving food delivery this year. Even with the supermarket workers on strike they made it happen. While less than we've done in the past, we did make 22 families very happy. The board approved the reduction in number because of increasing costs. So 3 boxes were assigned per car so some of us were done by 6:30. I can't list everyone who helped since I was one of the first to deliver so I don't know who arrived after me, but thanks to you all, and I am sure Annetta will acknowledge you all at the next meeting. I think Justin may want a different navigator next year.

AND SPEAKING OF THANKSGIVING – There was a successful interclub @ Greater Anaheim, thanks to **Andy, Tom, John, Jim B. and yours truly.** I hope you all had a safe and Happy Thanksgiving holiday.

UPCOMING EVENTS - I listed all the upcoming events at the beginning of the newsletter, so please pencil these in and plan to attend them all.

I believe we might be in need of a program for the 11th, so if you have any ideas, please contact Jim Bendt. Otherwise we might have to sing Christmas Carols and play Christmas songs.

Key Club meets Tuesdays 12:10 in the home ec room.

Anything you'd like to see me include in the upcoming newsletters, please let me know!

Happy December!
